

# Doily Decorating Hack

An easy hack to quickly decorate a cake

## **Ingredients**

Community Co Chocolate Mudcake

Icing sugar to dust

Doily

## **Method:**

1. Turn out the Community Co Mudcake onto a serving plate. Place icing side down so the doily effect can work nicely on the base of the cake.
2. Place doily on the base of the upside-down cake
3. Lightly dust icing sugar over the doily to create the desired decorating effect.
4. Gently remove doily, serve cake.
