## **Doily Decorating Hack**

An easy hack to quickly decorate a cake

## **Ingredients**

Community Co Chocolate Mudcake
Icing sugar to dust
Doily

## **Method:**

- 1. Turn out the Community Co Mudcake onto a serving plate. Place icing side down so the doily effect can work nicely on the base of the cake.
- 2. Place doily on the base of the upside-down cake
- 3. Lightly dust icing sugar over the doily to create the desired decorating effect.
- 4. Gently remove doily, serve cake.
