1. Heat oven to 180°C. Line muffin cups with paper baking cups.

4. Add 1 egg; beat well.
5. Stir together flour, baking powder and salt; add alternately with milk to peanut butter mixture, beating until well blended.

7. Using a toothpick or spoon batter over peanut butter cup until the top does not show.
8. Bake 12 to 14 minutes or until top springs back when centre is lightly touched.
9. Cool in pan on wire rack about 10 minutes.
10. Remove from pan to wire rack; cool completely. Frost with frosting.
11. For 'Perfectly Chocolate' Chocolate Frosting:
12. Melt butter and stir in cocoa.

14. Add small amount of additional milk if needed.
15. This makes about 2 cups of frosting.
