

Piña Colada Mocktail

A creamy and refreshing drink for those warm summer nights.

Ingredients

2 1/2 cups frozen pineapple

3/4 cup coconut milk

1 lime, juiced

3-4 fresh mint leaves

Fresh pineapple slices to garnish

Method:

1. Place all the ingredients in a blender. Pulse until you have a smooth consistency. If the consistency is too thick, add 1/4 cup of water to loosen.
2. Pour into cocktail glasses, garnished with fresh pineapple slices.
