

Fromage Forte

[Watch Video](#)

Whip up this easy fromage forte recipe using leftover cheese to enjoy as a dip or spread.

Ingredients

130-150 g any leftover Black & Gold cheese

1 garlic clove

1/4 cup dry white wine or chicken stock

A sprig of fresh thyme

Freshly ground Black & Gold pepper to taste

Method:

1. Place all the ingredients into a blender or food processor until smooth and creamy. If you are using mostly hard cheese, add more wine or stock for a smoother consistency.
2. This can be served as a dip or spread over a baguette and placed under the grill for a delicious snack.
