

# Summer Breeze

Entertaining this summer? Feel like a glass of Summer Breeze? Prepare ahead of time and refrigerate. This allows time for these fresh flavours to blend together.

## **Ingredients**

- 1 litre coconut water
- 1 lime, juiced
- 6 fresh mint leaves
- 1/2 cucumber, sliced into rounds
- 8 strawberries sliced in half (optional)

## **Method:**

1. Into a large glass jar or pitcher, pour the coconut water.
2. To it add 1 tbsp. of lime juice, all of the mint and cucumber rounds, and the strawberries if using.
3. Stir well.
4. Refrigerate until ready to serve.

5. Serve over ice.
